Miss Effa Manley
101 Montgomery St.
Newark, New Jersey

My dear Miss Manley:

Would you be willing to give an ambitious, young sports cartoonist a job to draw publicity cartoons for your Newark Eagles Baseball Club?

I happen to know Mr. Sparrow of Black Yankees who is also giving me a little work. Mr. Dan Burley of Amsterdam News and other associated papers would be more than glad to publish my sports cartoons for your club.

As I am a free lance cartoonist, I certainly will appreciate it very much if you might give me a chance to draw up a publicity cartoon.

Am sending you a sample of my work in "Giants Jottings".

Wouldn't you please drop me a line and I would be glad to talk over the business proposition in following letter?

Thanking you on your behalf and hoping to hear from you, I am

Very truly yours,
Artie Simek
